Amendment to the Austrian noise regulations:

According to the Austrian ordinance Zivilluftfahrzeug Lärmzuverlässigkeitsverordnung ZLZV-1993 (BGBGL Nr 738/92, amended by BGBL Nr 922/93) it is prohibited at all aerodromes to perform approaches and departures with Jet A7C, which do not comply with the noise limits of chapter 2 of the said ordinance (which are equivalent to those specified in ICAO annex 15, Vol. 1, Part II, Chapter 2).

During operational hours firefighting category 7 is available.

For scheduled flights appropriate higher category is available up to category 8 as well as for ad hoc flights and diversions on request within 24 hours lead time.

Charter entry resp. landing permission you will get at:
